DEBIT CARD UPDATE

Have you noticed you cannot swipe your card anymore? For your protection, as well as the credit unions, you will no longer be able to swipe your debit card on machines. Due to a rise in fraud, you will only be able to use the chip reader. If you have any questions or concerns, please call the office.

Tax Time = Financial Checkup Time

It's Time For Your
FINANCIAL
CHECKUP

Don't file that folder stuffed with all of your tax-time documents just yet. With many of your money-related items in one spot, it's the perfect time for a financial checkup. Start by taking an inventory of your assets: share savings and certificate accounts, any mutual funds or stocks, savings bonds, vehicles, home and so on. Then determine your liabilities: credit card balances and any loans. Now examine your expenses: Are there areas where you can cut back? For example, are you eating out often? Are you paying a high interest rate on a credit card? Is it time for a Credit Union Consolidation Loan or a balance transfer? Look on the income side as well. If you are receiving a big tax refund, it likely means you are withholding too much. No reason to give the government the use of your money all year! Remember, a yearly financial checkup is as important to your financial fitness as an annual visit is to your doctor is to your physical health.

You're here because you want a bank that can give you more for your money, right? Well, because our members are our shareholders, we can. The profits we make are reinvested in you. This means better rates, better service and the dreams you're chasing, faster. Share with your friends and family!

Set Your Sails On A Boat Loan That's Right For You

Ahoy there! If you're dreaming of spending time on the water this summer, now is the time to apply for a Boat Loan from the credit union. But do your homework first. Check websites such as boattrader.com and boats.com for reviews and other resources. If you're unsure about what boat is a good choice, take the quiz at boats.com to help narrow your choices. Learn from other boat owners by reading and joining online boat owner forums. (Simply search on "boat owner forums.") As with a vehicle purchase, getting a pre-approved loan from the credit union means you can shop like a cash buyer, whether it's a new boat or new to you and whether you're buying from a dealer or a private seller. Sail on over to the credit union for a Boat Loan that's right for you.
