We would like to officially Welcome Vicki Betz to our team. As many of you have noticed, Vicki started at the end of June as a part-time teller. As we continue to grow, we strive to keep giving the best customer service and personal experiences to our members and are happy to add to our team. During the month of July is the kick off to the campaign – Open Your Eye’s To A Credit Union! This is the perfect opportunity to refer friends and family to your local credit union. With a staff dedicated to the needs of our members, we offer lower loan rates and competitive benefits, and you are the shareholders. Next time you’re in please welcome Vicki to the team!

Tickets Are On Sale

Excitement building for October has been happening since we leaked the news of our Murder Mystery Dinner Party! Tickets are now on sale, as the event is October 12th at Sacred Heart Gym. Funds will benefit our post-secondary scholarships that will be available for our members. Dinner will be served at 6:30, with the show beginning at 7:00pm by a professional company coming from Kansas City. We encourage you to dress up for the Totally 80’s Totally Murder Theme, as prizes will be awarded to best dressed. We also encourage you to bring a group of friends, as tickets bought with 8 or more people will have reserved seating guaranteeing grouped seating. As we are always planning new things, the night will consist of more than just dinner and a show; grab your tickets today to catch an entertaining evening without the hassle of driving out of town. We are accepting donations of ground hamburger for the meal portion to help benefit a more successful scholarship fund, and want to thank our members in advance for their continued support and growth of the credit union.

Open Your Eyes to a Credit Union

Friends don't let friends, nor their family members, pay too much for financial services. That's why you'll want to share with them the benefits of belonging to the credit union. Here's where they will not only find competitive rates on savings and loans, but a variety of products and services to help them manage their personal finances. While for-profit financial institutions have their shareholders to answer to, the credit union is a not-for-profit financial cooperative that exists only to serve its members. So please pass the word about the credit union difference. Your friends and family will thank you for helping them discover that difference and how it can help them achieve their financial goals. For more information about sharing the benefits of membership, visit and share the webpage:

Ness County Fair Week

If you missed the Ness County Fair the week of July 22nd, you missed out on what it has to offer. We are so impressed and proud of the youth that participates in 4-H, as well as the parents and adults that also partake in the event packed week. We would like to thank the extension office as well as the fair board; we can't imagine the preparation and time that it takes. The credit union has participated in displaying a booth the last few years. Not only is it a great way to be involved, but it also lets us show the community what we have to offer.
