to.

**PLEASE SAVE
THIS
STATEMENT
FOR YOUR
2017 INCOME
TAX**

NOTICE:

If you only have a saving account you have been only receiving a statement once a quarter. This is going to be changed if there is no transactions in your account during the quarter you will only receive a statement once a year. We also will stop mailing your receipt vouchers with your statements. If you would like your receipts you can stop by the office to pick them up. We are doing some housekeeping changes to try to save your credit union money so we can offer ever more great services.

Make The Switch To e-Statements

Simplify your life with e-Statements. Getting an e-Statement instead of a paper one in the mail is the easy way to keep track of your finances, and it's easier on the environment as well. Here's how it works: When your statement is ready shortly after the end of each month, we'll send you an email. You can then go online, login to your account

and check it out. Did all the checks clear? Does our balance agree with yours? What is the remaining balance on your loan? If everything is correct, just file it electronically, where it won't disappear under a pile of flyers.

And, you won't have to worry about your personal infor-

mation sitting in your mailbox or getting lost in transit when you have your mail forwarded when you are away. So make the switch to e-Statements. Call, click, or stop by the credit union.

If you switch to e-statement your name will be entered in a drawing for a chance to win to \$25.00.

HAPPY NEW YEAR

As this year comes to a end we want to express our appreciation to each and everyone of our members. Your loyalty has given us another successful year. We continue to grow because of you referring your family members and friends to join United Credit Union. If everyone knew the philosophy of credit unions everyone would want to belong. So please keep passing the good word about credit unions.

- **Members own the credit union.** As a credit union member, you are a stockholder in the organization. You have voting rights when it comes time to elect new board members. You can attend a meeting each year to gain knowledge on how the organization is doing and give insight into the direction of the organization.
- **Credit unions are not-for-profit organizations.** Any profits generated throughout the year are used to benefit you as a member. Those profits and invested into new products and services, lower loan rates or higher deposit rate.
- **There are 6,153 credit union in the United States.** Kansas has 86 credit unions with 676,391 members.

Now that you have the facts—Please pass the word so we can continue to grow!

WE LOVE OUR CREDIT UNION!!

the LAST Word

Only the guy who is not rowing has time to rock the boat.
