January 12, 2019 Your credit union held their first pitch tournament at the Old Bank Building. Despite the weather, there was a fantastic turnout with 35 players and a few spectators. Everyone played 10-point pitch, call your partner. The credit union would like to say “thank you from the bottom of our hearts.” Not only for the participation but to those that also helped clean up. Being active in our community is something that makes our Credit Union special, and without participation our events wouldn’t be so successful. With the abundance of positive feedback as well as players asking to host another tournament, we plan to host another one on Saturday, February 9, 2019.

Winners are:
Debbie Witthuhn 1st-
Craig Myers 2nd
Sophie Stoecklein 3rd
Lois Shauers 4th

Make 2019 The Year You Get Control Of Your Budget

It's that time again: The new year brings with it the chance for a fresh start. You are not alone if one of your New Year's Resolutions is to be a better money manager. Start by taking a look at where your funds are coming from and where they are going. (You'll need some of these documents to prepare your 2018 taxes anyway. So it's a great way to get ahead of the game.) Next, decide if your spending reflects your values. For example, if you want your kids to pursue higher education have you allocated money to an education savings account? Or if you want to work on your bucket list either now or in retirement, how will you pay for that? Having your goals in mind helps you spend more mindfully. Can you eat out less often by planning menus for the week? Can you cut the cable cord and stream your television and movies instead? It's up to you to decide what's important. Then you can put together your budget: a spending and saving plan that will help turn your dreams into reality.

the LAST Word

It is not the position, but the disposition.

A Special "Thank You" To Our Members

As member-owned and operated financial institutions, a solid and secure member base is at the heart of every successful credit union worldwide. As we reflect on 2018 at United Credit Union, we want to send a special "thank-you" to our members for their support and loyalty.

At United Credit Union, we strive every day to put our members first and uphold the motto of "People Helping People," through exceptional service, affordable financial solutions, valuable financial education, and community assistance. Like our members, we strongly believe in the idea of a democratic, not-for-profit financial cooperative. We hope you accept our heartfelt gratitude, and know that we look forward to providing you and your loved ones with continued quality financial products, services, and superior member service in the year ahead.
