Tips To Securing Your Home Before A Trip

By following these home security tips, you can have peace of mind while traveling knowing you've taken the right steps toward keeping your home secure:

- * Ask a trusted neighbor to watch your property and report suspicious activity.
- * If possible, have a trusted friend or family member stay at your home.
- * Have a car park in the driveway each night. Often a neighbor won't mind parking in your spot.
- * If trash day comes while you're on your trip, ask a neighbor if they can pull your cans out and bring them back in after the trash is taken.
- * Install automatic timers on lights, TVs and radios to give the impression someone is home.
- * Ask a neighbor to collect your mail and newspaper delivery everyday.

- * Make sure you lock all doors and windows.
- * Keep the trees and shrubs trimmed to allow for good natural surveillance of your property.
- * Put motion detectors on your outside lights.
- * Let neighbors, family, and friends know when you plan to return from your trip.

CONGRATULATIONS!

Congratulations to all of the Ness County Graduates.

We wish you all the best!

“May God give you for every storm a rainbow, for every tear a smile, for every care a promise, and a blessing in each trial. For every problem life sends, a faithful friend to share. And for every sigh, a sweet song and an answer for answer for each prayer.”
