New Board Member

We would like to thank Steve Foos for his time and dedication to the United Credit Union as he served on the Board of Directors from 2016-2019. Steve resigned in September and we are so thankful for his time volunteered.

The board appointed Adam Healzer to finish out Steve's term which ends in 2021. Adam has been a member of the credit union since 1983. We would like to welcome Adam onto our board and look forward to working with him. Adam is married to Kaylee Whipple, and they have a daughter Ellinor (7 months) and two sons Evan (2 years) and Ethan (8 years).

Planning Session

The credit union held their annual planning session on September 24th. In attendance were Board of Directors, Credit Committee, Supervisory Committee as well as employees. During the yearly planning session, goals were set for the following year. These goals range from building improvements to community events and what the credit union can do to provide services to members. If you have an idea or a way to better the credit union we would love to hear from you. Feedback from our members allows us to know what is needed and wanted so that we can continue to grow.

A national campaign of Open Your Eyes to a Credit Union is gaining momentum. Continue to refer friends and family so that we can provide the needed services through our growth. www.yourmoneyfurther.com

Sandy & Yvette posed for the campaign at the yearly meeting in Kansas City.

2019 Convention Held in KC

From September 11 to the 14th, Sandy & Yvette attended Heartland Credit Union Association's 2019 Convention in Kansas City. It's an annual meeting where Kansas & Missouri credit unions gather. We are so excited that they were able to participate this year as it's been over ten years since the credit union has been able to be present. Sandy and Yvette were not only able to learn but also came back with ideas and new motivation to better serve our members. Heartland Credit Union Foundation has allowed United Credit Union to do various updates in the office, to help with our Chili Cook Offs as well as our upcoming Murder Mystery Dinner on October 12th. The staff applies for grants thru this foundation, and without their help the credit union would struggle to be as active and up to date that we are. To see more pictures from the convention, check out our Facebook page!
