This year's annual chili cook-off is to benefit Finnegan LaMotte from Wakeeney. Finnegan is 6 years old and is fighting brain cancer. He is the son of Dan and Brianna LaMotte, the grandson of Kaylene McDonald and Bill McDonald. Once again we will have 4 categories with 5 competitors each: regular, hot, special ingredient and white chili. You may register at the office to compete with a fee of \$25.00. You can find the official rules on our Facebook page or pick them up in the office.

New Furry Face in the

We have a new furry face in the office! Meet Gracie, foster dog of Josh and Lauren Crombie. Gracie, along with her sister Hope who is fostered by Adam and Kaylee Healzer came from K94Heroes based out of Topeka. They were picked up August 10th as 11 week old Libb Labradoodles. They were donated to the organization from a breeder in Erie, Kansas, to become therapy dogs for a Kansas Veteran.

Josh Crombie with Hope, and Lauren Crombie with Gracie.

Gracie and Hope will spend their puppy days in foster care, where they will then go on to train with a professional, and their final destination will be in the home of a Kansas Veteran for free. If you know of a vet needing a therapy dog, share this webpage (<https://www.k94heroes.org/>) where they can apply for one. The hope is to keep Gracie and Hope in Western Kansas. K94Heroes is a donation based organization, if you wish to help the sisters and Kansas Veterans; donations for vet care can be given to Heartland Veterinary Center in Ness City. They are also looking for more foster homes, as well as donated puppies (rescues welcome), if you are interested please contact Lauren Crombie for more information. We ask that when you come into the office, please refrain from petting and interacting with Gracie when you are doing business. We appreciate your understanding and we look forward to our time with Gracie as well as serving our members.
